REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance of claims 1-7:

A UV lamp system comprises, in combination, a retainer bracket and a retainer clip for holding a UV lamp with respect to a reflector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Van Dulmen [US 5,757,112] discloses an irradiation device. Klein et al. [US 6,323,601] discloses a reflector for an UV lamp. None of them discloses or suggests the above-discussed limitation.
